Hello Members --

As they say, Spring has sprung. The weather is getting warmer. Our families and other visitors are flocking to our beaches for Spring Break. It is time to update our gardens and get to the Spring cleaning tasks.

We have several upcoming events. On Tuesday April 18th, we will participate in Food Truck Tuesday at Town Center. This event is sponsored by the Palm Coast Recreation Department and takes place from 5 to 8pm. Food trucks from the area will sell appetizers, main courses and desserts. There will be music and a UWF table with applications and information about our club. UWF receives some of the profits from this event for the Scholarship Fund.

The speaker at the April 15th meeting will be Retired Lt. General Mark Hertling. He is a CNN commentator who lives in Flagler Beach. Any guests who want to hear the general speak are invited to make arrangements via the website to join us at the meeting.

The scholarship committee, led by Jeanne Nix, has selected five young women to each receive a $3000 college scholarship. Three young ladies who received scholarships last year will be granted $500 scholarships this year. We will get to meet them all at the May luncheon on May 13th.

The Nominating committee has presented a slate of candidates for office for the next club year. We will vote on those candidates at the April meeting. Thanks to the committee for all their hard work. (please see page 3 for the Slate of Candidates listing.)

Now is the time to renew your UWF membership. Send or give a $50 check to Donna Daly Boggs. Or you can also renew online at the UWF website: https://uwflagler.org.

Our member Susan Wildman has reported that the roof on her condo was finally replaced. Now the restoration of the inside of the condo can begin. We're all so happy to hear of her progress.

Finally, we wish a Happy Easter and a Happy Passover to those who celebrate.

"The greatest good is what we do for each other" -
Mother Theresa

Warm regards,

Jo

UWF April Meeting: Saturday, April 15th Speaker: Lt. General Mark Hertling

On Saturday morning April 15th, Lt. General Mark Hertling, accompanied by his wife, Sue Hertling, will be our featured guest speaker at the UWF general meeting. Everyone is encouraged to not miss this.

Spouses, friends, local media and others are welcome and a number have already indicated they will be joining us. These "guests" will be able to leave prior to our business portion of the meeting. Time, location and costs remain the same for all in attendance. The exception is the media, who won't be eating.

Information on General Mark Hertling

Our speaker is a retired three-star General living in Flagler Beach having had global military commands and other military responsibilities. He also has served as a member of numerous Boards and Councils (including the President's Council on Physical Fitness), was a proven winner in the sports arena, and currently serves as an senior-level commentator on national cable television.

Asking him to stay away from "politics", **he agreed to talk about "Leadership"**, which was the focus of his Doctoral Degree. He has written a book on this topic and will give copies to those who are interested. He is still sharing his leadership skills and expertise – now at a senior level with the health care industry.

Some of my questions for the General include: what is "leadership", is it possible for men and women to still be true leaders in today's climate, and whether courage and defying norms are a necessary part of leadership.

Hope to see everyone there.

Susie Moya, UWF co-VP of Programs

UWF Endowed Scholarship is Established at Daytona State College

Thank you, University Women of Flagler !

Through your generosity, the endowed University Women of Flagler Scholarship has been established at Daytona State College.

After much research and discussion, the UWF Board voted to fund an endowed scholarship at Daytona State College. This is a **one-time investment** by UWF that will continue to provide scholarships to DSC students for many years.

There will be no change to the annual UWF high school scholarship awards or to the other programs that UWF is currently supporting.

DSC students selected to receive an award funded by the UWF endowment must meet the following criteria:

- Be a resident of Flagler County
- Have a GPA demonstrating satisfactory academic achievement (2.5 or better)
- Be at least 22 years of age
- Not be a relative of a member of UWF
- Preference given to female students (61% of DSC students are female).

Selection Process: The Daytona State College Foundation has an online application for interested students. A list of candidates who meet UWF's criteria is generated and information regarding those candidates and their essays will be forwarded to UWF by April 1. Selection is to be made by UWF, and the Foundation notified of the recipient, by May 1. Since this is the first year of the award, dates will be adjusted to fit the date the fund is established.

Award Amount: The award is 5% of the donation ($750 based on a donation of $15,000.) This amount is offered annually and distributed to the student: $375 in the Fall semester and $375 in the Spring semester. If the amount funded by UWF increases, the award would increase.

Financial Accountability:

- UWF will receive an annual report by March 15 showing interest earned, dollars awarded, and fund balance.
- There are no administration fees directly applied to UWF's investment. All fees are paid through the Fund as a whole. Daytona State College pays the salaries of the staff and provides office space, etc.

Funding for an endowment by UWF: There are sufficient funds in the UWF Scholarship Account to fund an endowment this fiscal year and provide for the 2022-2023 traditional disbursements:

⇒ UWF scholarships ($16,500 – 5 new scholarships @ $3000 each and 3 returning student scholarships @ $500 each)

⇒ Dolly Parton Imagination Library ($1500)

⇒ Non-Traditional Student Grant ($1000)

⇒ FC Ed Foundation – Take Stock in Children ($2000)

- After the 2022-23 expenses are met, the fund balance in the UWF Accounts will be approximately $37,000. This leaves sufficient funds to meet the 2023-2024 goals as well as to create this endowment.
- Funds may be added to the UWF endowment at any time (memorials, RMD's, gifts, interest from the investment, etc.). Once the additional funds are included, the new total becomes the base for the scholarship.

(continued on next page)

UWF Endowed Scholarship is Established at Daytona State College (con't.)

- The plan was for an initial donation of $10,000 to be made from the current funds in the UWF Scholarship Account. A minimum of $15,000 is needed to establish an endowment.
- To raise the additional $5000 needed to establish the endowment**,** a challenge was issued to UWF members to match a donation of $2500 offered by the Daytona State College Foundation. UWF raised over $2500 in new money to receive the $2500 offered by the Foundation and an additional $750 which is to be an immediate scholarship.

  Through the generosity of UWF members, the initial UWF contribution will be $15,250 ($14,500 endowed, $750 immediately expendable). Daytona State College Foundation will contribute $2500 bringing the total initial amount of the endowed fund to $17,000.

  If you wish to make a contribution to increase the endowed principal, checks should be made out to UWF and brought to a General Meeting or mailed to the UWF Treasurer:

  Linda Jaeger
  76 Colechester Lane
  Palm Coast, FL 32137

Both University Women of Flagler and Daytona State College Foundation are 501(c)(3) tax-exempt charitable organizations recognized by the IRS. Therefore, donations are tax deductible (speak to your tax advisor or financial advisor for details).

Thank you, University Women of Flagler, for all your hard work and fundraising to support the educational goals of women in Flagler County!!

Non-Traditional Student Grant Update

The purpose of the UWF non-Traditional Student grant is to provide funds to promote education, training, intellectual development, equity, individual growth and opportunities for women in Flagler County. For the past two years, the funds have been administered by the Family Life Center and used by various women in their Emergency Shelter to obtain uniforms for employment, pre-employment health screening, certifications, CPR training, Florida Notary certification and a cosmetology license.

This year our grant helped a woman complete her massage therapy education/certification as well as partially paying for a travel table to use in building her business. This year's recipient is now able to help provide for her family and is very grateful for the support from UWF. She told the Family Life Center that she is looking forward to the day that she can also give back to the women in the shelter.

To quote Trish Giaccone, Executive Director of the Family Life Center, "I am so grateful to the University Women of Flagler for supporting women in crisis trying to stabilize their life. In this economy, we are all feeling the pinch of financial challenges. The money you provide goes a long way to help the non-traditional students."

Trish continues: "Although you may not see the women and children that you help in person, please know that they are very grateful, as we are. The need continues to be great and every penny helps. The work we do is about women helping women, and we appreciate all of the UWF women. We couldn't do the work without you."

The UWF Committee has unanimously decided to award the Family Life Center grant funds of $1,000 for the 2022-23 FY to continue our non-traditional student grant program. Your committee consisted of Pat Smith, Jean Seavey, and Kay Forest (chair).

We can't choose what we inherit. But can we choose who we become?

In present-day California, Eleanor Bennett's death leaves behind a puzzling inheritance for her two children, Byron and Benny: a black cake, made from a family recipe with a long history, and a voice recording. In her message, Eleanor shares a tumultuous story about a headstrong young swimmer who escapes her island home under suspicion of murder. The heartbreaking tale Eleanor unfolds, the secrets she still holds back, and the mystery of a long-lost child challenge everything the siblings thought they knew about their lineage and themselves.

Can Byron and Benny reclaim their once-close relationship, piece together Eleanor's true history, and fulfill her final request to "share the black cake when the time is right"? Will their mother's revelations bring them back together or leave them feeling more lost than ever?

Charmaine Wilkerson's debut novel is a story of how the inheritance of betrayals, secrets, memories, and even names can shape relationships and history. Deeply evocative and beautifully written, Black Cake is an extraordinary journey through the life of a family changed forever by the choices of its matriarch.
