from the president

I know I am not the first but I want to wish you all a Happy New Year and a healthy one. Since the middle of December, I have had seven deaths to friends' family members or good friends of mine. That is too much so the rest of you must stay healthy and happy!!

We have some good things coming up for the rest of the year. First is the Game Day in February. I know this is explained further in this newsletter, but if you are new to our club or don't know a group of women who play the same games you do (Boy, could that be a loaded statement!!), we will have a sign-up sheet at the next meeting. Anyone interested in playing Trivial Pursuit, let me know.

We are also planning a Rummage/Garage Sale in the Spring. Diane Minotti has agreed to be our "technical advisor/consultant", but I still need several volunteers with good organizational and sales skills. I expect to be mobbed with volunteers at the next meeting.

See you on the 15th.

Sonda Bengston

The University Women of Flagler (UWF) was founded in June 2006. The purpose of UWF is to unite graduates of regionally accredited educational institutions in order to promote equity, education, intellectual growth, individual worth, and development of opportunities for women and girls in the Flagler County area. UWF promotes positive societal change in the community; participates in the development and promotion of policies and programs through study, action, and public policy advocacy in areas related to its purpose, including community, cultural interests, and the maintenance of high standards in education; and maintains a fund for the purpose of rendering assistance, giving support, and providing funds for litigation to Flagler County area women whose civil liberties are threatened, infringed, or violated.
