Dear Members and Friends,

We hope that you have enjoyed your holidays!

We look forward to continuing our fundraising efforts this new year starting with the Murder in the Vineyard mystery dinner on January 31, which promises to be successful and fun! It's already sold out, so plans are in place to cook a delicious dinner, serve wines to get in the mood, and entertain with a delightful mystery! We're looking forward to seeing many of you there!

Other upcoming fundraisers include Food Truck Tuesday, Jersey Mike's, and a second Day of Games in March. More details will follow. Plus, there will be a number of activities for Adventure Girls' upcoming trips, lots of intriguing books to read in Bookminders, and social gatherings to come with Lunch Bunch.

Something new and board approved! We are excited to introduce the Annual Spirit Award in recognition of members who have shown exceptional enthusiasm and work ethic in UWF. Here is a chance to have your voice heard! All members will have one nomination each to pick any UWF member of their choice to receive this award. (The President(s) are not eligible to vote nor receive a nomination). The top three with the most nominations will be recognized at the April general meeting. We hope that everyone will take part. There will be more details to follow at the General Meeting and in the February Wave.

We wish you a very happy and productive New Year in 2025!

In Friendship and Service,

Trish and Robin

Friday, January 31, 2025 at the Flagler Woman's Club from 5:30-8:30pm

A Taste for Wine and Murder – Donations Needed!

Thank you to the many volunteers who have already signed up to be members of the cast and to help with our Murder Mystery Dinner.

If just a few UWF members attending the event could also help with serving and clean up, we will be in great shape!

There will be a wine/prosecco bar accepting cash donations during the event. For that to be successful, we are in need of donations of wine (red or white) or prosecco. Call us for pick up or bring your donation to the January 11th meeting at Grand Haven. In addition to a 50/50 raffle, we will hold a silent auction for one basket of wine.

Thank you in advance for helping to make our fundraiser a success! It appears that we will have a full house (100+ guests) at the Flagler Woman's Club. It should be a fun event for all of us! See you there!

January meeting: The Right Whale Program in Marineland

Speaker: Terran McGinnis, Facility Historian and Mgr. of Community Development, Marineland

Topic: Right Whales, the World's Most Endangered Whale

Did you know that these endangered whales visit our area every year to give birth and nurse their young? Searching out warmer waters for their newly-born calves, female Right Whales visit our coastline from January to March remaining close enough to shore to be seen without binoculars. They raise their young in our waters until early spring when the calf has gained enough weight to tolerate the cold waters off Canada. The mom is also longing to return to Canadian waters to feed on the copepods.

Come to our program to learn all about this rare and precious visitor, and the conservation and research efforts happening both in our area and throughout the world. You might also find out how you can make a difference and become involved.

December 14th Holiday Luncheon— joy-filled pics

What a wonderful way to celebrate the holiday season—with friends and music! Erin Alford and two of her choir-mates in Light Keepers Choir performed traditional songs (right top). Janice Nickol presented a donation to their choir (lower left) and the room was filled with red and green-dressed members, including our Co-Presidents, Trish LeNet and Robin Hall (top left). A delicious lunch topped it all off!

Membership Report:

Valerie Herndon and Nancy Hazo, Membership Co-Vice Presidents

Please welcome Jeane Stigliano as our newest member in UWF! She is the sister of Linda Jaeger, and we are so delighted to have her, especially as many of you know her and she's been a volunteer and/or attended many of our activities already! Our membership is now at 69 as we start the new year.

Our January meeting will be about The Right Whale Program and members are encouraged to bring a guest — man or woman — to learn about this special program. Guests who may be interested in becoming a member of UWF are especially welcome. Since there may be a number of guests at this meeting, we will have general seating instead of lottery seating this month.

We celebrate seven January Birthdays and wish you lots of health and awesome adventures in the next year:

Rosemary Zattiero	1/3
Yvette Jackson	1/4
Susan Moya	1/4
Eve Sckolnik	1/5
Mary Kiernan-Tighe	1/10
Marva Jones	1/11
Patricia Cotton	1/13

If you are interested in being a greeter near the sign-in table for the meetings, please speak to either Valerie or Nancy. It's a great way to meet more members and especially as a way to welcome our newest members .

Adventure Girls: New Year, New Adventures

Welcome to a new year of adventures, Adventure Girls. I appreciate any suggestions you might have. Just drop me a note or call! Remember, there will be a five-dollar scholarship donation for each adventure. But once you've paid $20, you are set for the year.

Postponed to another day (not January 11th): For a future event, I'd like to invite you to the Boutique at Emmanuel's Closet at 1000 Palm Coast Parkway Southwest, Patel Plaza, Unit 108, next to Wells Fargo Bank. You may shop for ladies designer dresses, jewelry, handbags, and shoes, etc., while supporting a great cause...Emmanuel's Closet. Most items are five dollars or less. They are then able to offer free clothing, hygiene products, other necessities and a food pantry to those in Flagler County in need. You may bring any donations that are clean and in good condition when we visit.

Please save the following dates in February and March….

Thursday, February 13th at 10AM. Visit the special exhibit, Audubon's Birds of Florida, at the Hyatt Brown Museum of Art in Daytona Beach. A senior ticket price is $17 and also includes admission to the Museum of Arts and Science. The exhibit presents nearly 80 original prints, paintings and related artifacts and documents the birds and other habitats unique to Florida. There is a free audio guide included. This is a rare opportunity to journey through the birds captured in the meticulously painted studies by John James Audubon, one of the most celebrated artists in American history. We will have lunch afterwards at Steve's Famous Diner, close by, or you can bring your own lunch to enjoy on the beautiful campus of the museum.

Thursday, March 13 at 10 AM—The Flagler Education Foundation has once again invited us to tour Flagler Palm Coast High School and Bunnell Elementary School. Details to follow.

Hope to see you on these adventures,
Holly

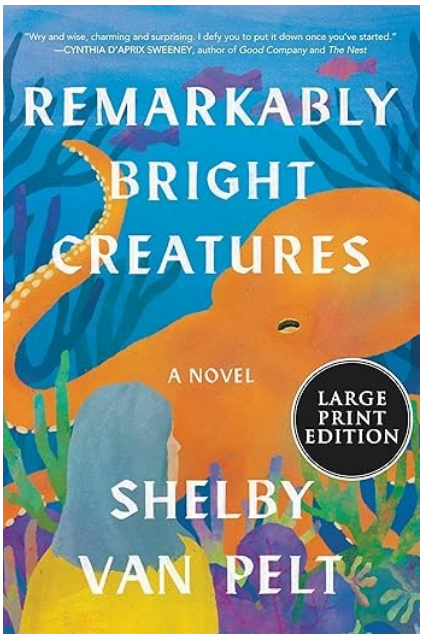
January Book Selection

January's Book Selection: *Remarkably Bright Creatures—A Novel*

By Shelby Van Pelt



A *New York Times Bestseller!*

A Read With Jenna *Today Show Book Club Pick!*

"Remarkably Bright Creatures is a beautiful examination of how loneliness can be transformed, cracked open, with the slightest touch from another living thing." -- Kevin Wilson, author of Nothing to See Here

For fans of *A Man Called Ove, a charming, witty and compulsively readable exploration of friendship, reckoning, and hope that traces a widow's unlikely connection with a giant Pacific octopus*

After Tova Sullivan's husband died, she began working the night shift at the Sowell Bay Aquarium, mopping floors and tidying up. Keeping busy has always helped her cope, which she's been doing since her eighteen-year-old son, Erik, mysteriously vanished on a boat in Puget Sound over thirty years ago.

Tova becomes acquainted with curmudgeonly Marcellus, a giant Pacific octopus living at the aquarium. Marcellus knows more than anyone can imagine but wouldn't dream of lifting one of his eight arms for his human captors—until he forms a remarkable friendship with Tova.

Ever the detective, Marcellus deduces what happened the night Tova's son disappeared. And now Marcellus must use every trick his old invertebrate body can muster to unearth the truth for her before it's too late.

Shelby Van Pelt's debut novel is a gentle reminder that sometimes taking a hard look at the past can help uncover a future that once felt impossible.

The University Women of Flagler (UWF) was founded in June 2006. The purpose of UWF is to unite graduates of regionally accredited educational institutions in order to promote equity, education, intellectual growth, individual worth, and development of opportunities for women and girls in the Flagler County area. UWF promotes positive societal change in the community; participates in the development and promotion of policies and programs through study, action, and public policy advocacy in areas related to its purpose, including community, cultural interests, and the maintenance of high standards in education; and maintains a fund for the purpose of rendering assistance, giving support, and providing funds for litigation to Flagler County area women whose civil liberties are threatened, infringed, or violated.

The WAVE is the official newsletter of the University Women of Flagler.
