Happy New Year!! May 2022 bring you peace, prosperity, and good health!

Traditionally, New Year celebrations close out the old and bring in the new. People make all sorts of resolutions at this time of year and often those resolutions are forgotten in a very short time. We wouldn't need New Year's resolutions if every day we were to follow the words of Archbishop Desmond Tutu, "Do your little bit of good where you are; it's those little bits of good put together that overwhelm the world." He preached love and forgiveness: "Your ordinary acts of love and hope point to the extraordinary promise that every human life is of inestimable value."

UWF is continuing to do "our little bit of good" by providing scholarships and supporting women as they work towards their goals. We also provide speakers at our General Meetings who share their knowledge and expertise on a wide variety of topics. This month, Detective Rosanna Vinci of the Flagler Beach Police Department will present a program on how to protect ourselves from fraud and scams. Contact Pat Rhodes by January 2nd to reserve your seat at our first meeting of 2022. We are back at the Hilton on Route 100 with a plated breakfast of scrambled eggs, breakfast potatoes, bacon, and fruit. (See page 1 for details.) We hope to see many old and new friends at this and future meetings (Breakfast meetings – February 12, March 19, April 23; Luncheon – May 14).

One sad announcement, UWF's presentation of "Piercing the Darkness" by Lee Weaver has been canceled due to health issues of the performer. If anyone has a suggestion for an alternate fundraiser, please contact me.

Ever so many years ago, Marcus Aurelius shared these words of wisdom: "When you arise in the morning, think of what a precious privilege it is to be alive – to breathe, to think, to enjoy, to love." So, as we arise each morning of 2022, let us look within, give thanks, be kind, and listen to the Dalai Lama, "Calm mind brings inner strength and self-confidence, so that's very important for good health."

Let's come together in 2022 and renew our relationships or develop new ones. We need every member of UWF to be active and working together to keep UWF a strong organization supporting the women and girls of Flagler County.

Wishing you the best in the New Year,

Linda

URGENT — You are being called to come to the aid of your organization!

This position is vital to the smooth functioning of UWF. You do not need to be an accountant, just be comfortable with numbers. You will receive on-the-job training and the support of the entire UWF Board.

Lottery Seating will Resume at the General Meetings

The Membership Committee is always looking for ways to help our newer members transition into UWF and to promote overall camaraderie throughout our organization. The "lottery seating" format was successful at previous meetings so the Board made the decision to continue the practice.

Here is how it works: After checking in for the meeting at the reservation desk, the member picks a card with a table number from a bag held by one of our greeters, then proceeds to the table with that number. There will be a small bag placed at each table for the card to be deposited for re-use at a future meeting. Guests will be seated with the members who invited them. Lottery seating gives us the opportunity to chat with new people at each meeting!

If you have any changes to your contact information (name, address, telephone number, or email) please inform Donna Daly Boggs at djaymesd@gmail.com. If you know anyone interested in joining UWF, please invite her to accompany you to a general meeting or any UWF activity.

Trish Le Net and Robin Hall Co-Vice Presidents - Membership

UWF COVID GUIDELINES

The UWF Board is excited that our members will be able to meet face-to-face for our next meeting on January 8th at the Hilton Garden Inn at 9:30 AM. However, given the current COVID conditions in Flagler County, we want to ensure that those who attend the meeting feel comfortable. Therefore, we believe there is a need to meet the current CDC Guidelines to the greatest degree possible.

Hilton Garden Inn has assured us that they are adhering to CDC Guidelines at all functions.

We request that all meeting participants:

- wear masks at all times other than while eating or drinking or addressing the group
- maintain social distancing
- use the provided hand sanitizer.

We ask that you reconsider attendance at this meeting if you have been ill or have been in contact with anyone who has experienced COVID in the past two weeks.

January's Book Selection

The Vanishing Half: A Novel

By Brit Bennett

**#1 NEW YORK TIMES BESTSELLER
ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR
NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES * THE WASHINGTON POST * NPR * PEOPLE * TIME MAGAZINE * VANITY FAIR * GLAMOUR
2021 WOMEN'S PRIZE FINALIST**

"Bennett's tone and style recalls James Baldwin and Jacqueline Woodson, but it's especially reminiscent of Toni Morrison's 1970 debut novel, *The Bluest Eye*." —Kiley Reid, *Wall Street Journal*

"A story of absolute, universal timelessness ...For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be...." — *Entertainment Weekly*

From *The New York Times*-bestselling author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white.

The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect?

Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins.

As with her *New York Times*-bestselling debut *The Mothers*, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.
