Happy Hannukah, Happy Kwanzaa and Merry Christmas,

Do you know that all of these holidays have connections to the winter solstice? This year, the winter solstice occurs on Tuesday, December 21; it's when the earth's axis tilts away from the sun, making it the shortest day and longest night of the year for those living in the Northern Hemisphere.

For many, the winter solstice is a reminder to honor our connection to the natural world. For others, it is a time for turning inward, reflection, and deep spiritual inner work. You can tap into the deeper meaning of all these holidays by putting your phone on DND, lighting a candle or putting on some relaxing music, and spending some quality quiet time with yourself. Take some time to think deeply about yourself, reflect on your past, and visualize what you want for your future. Take some time for you!

Reflecting on this past month, it is obvious to me, that UWF has much to be grateful for. Pat Rhodes and Edda Steinmeier, with the assistance of over 20 members of UWF, were able to organize a superior event with the Day of Games. More than 100 women and men came to the Palm Coast Community Center to share in the games, raffles, and a most delicious lasagna lunch. Our fundraisers: Wreaths Across America chaired by Susan Wildman, ShopWithScrip chaired by Lynn Foraker, and the Holiday DJIA Raffle chaired by our President have all had support from our membership and friends. As a reminder of the holiday season, and as a means to give thanks to our members and the community, UWF has decorated a tree that is currently part of the Flagler County Library's Festival of Trees.

On November 30, members of the Gourmet Gals journeyed to Daytona to view the statue of Mary McLeod Bethune. What an amazing woman – humanitarian, philanthropist, educator, college president, business woman and activist in the civil and women's rights movements. The exhibit is open through December 12. After that time, the statue will be brought to Washington, D.C. to represent the state of Florida at the Capitol. Inscribed at the base of the statue is her famous quote "Invest in the human soul. Who knows, it might be a diamond in the rough."

In closure, I offer you these words, also from Mary McLeod Bethune: "World peace and brotherhood are based on a common understanding of the contributions and cultures of all races and creeds." May you find that peace and brotherhood this holiday season.

Wishing you all the best,

Linda

URGENT — You are being called to come to the aid of your organization!

UWF is in desperate need of a Treasurer to succeed Toni Donohue. Now is the time to share the position with her and benefit from her many years of expertise. This position is vital to the smooth functioning of UWF. You do not need to be an accountant, just be comfortable with numbers. You will receive on-the-job training and the support of the entire UWF Board.

December Holiday Presentation: Matanzas Blue Steel

When asked to provide a description of our wonderful high school musicians at the December holiday meeting, Jared Allen, Percussion Director at Matanzas High School, sent along this lovely letter to tell us about the band and thank UWF for helping them reach their goals:

Matanzas Blue Steel is the long-standing steel band at Matanzas High School. Matanzas has the largest school steel band in Florida and one of the top ten largest in the U.S.! Our steel bands were started by Rachel Palmer in 2005 when Matanzas High first opened. This ensemble is open to all students at our school and performs throughout the community and state on a regular basis. Matanzas will host the FMEA Steel Band Festival this year bringing steel bands from all over Florida to Palm Coast. Blue Steel is also planning to compete in the Virginia International PANFest this upcoming May. We greatly appreciate the support of the University Women of Flagler to help us cover the costs of our trip to Virginia Beach and for making it possible for us to reach our goals! www.mhsdrums.com

We look forward to a rewarding and engaging performance from our talented local musicians!

Membership Report: Growing strong

Trish LeNet and Robin Hall, Membership Co-Vice Presidents

Membership Report for 2021 December WAVE

We are delighted to welcome new member, Michelle Clark this month (see bio below). Our Membership total is now 79.

Ladies, can we ask a favor? We need mentors! A mentor helps a new member feel "at home" in UWF by answering any questions, contacting her to let her know about upcoming events, including general meetings, and making sure she is receiving the blasts. If both are in attendance at the general meetings, a mentor sits with the new member and introduces her to others.

We're happy to recognize and celebrate six December member birthdays! Enjoy!

- Teresa Kvachuk 12/10
- Jane Mealy 12/14
- Holly Flynn 12/21
- Carol Penrose 12/24
- Peggy Hengeveld 12/28
- Ouida Green 12/30

Lottery Seating

Please note that we will begin lottery seating at the January meeting as the round tables of the Hilton Garden Inn are more conducive to conversation!

If you have any changes to your contact information (name, address, telephone number, or email) please inform Donna Daly Boggs at djaymesd@gmail.com.

If you know anyone interested in joining UWF, please invite her to accompany you to a general meeting or any UWF activity.

Trish Le Net and Robin Hall
Co-Vice Presidents - Membership

Welcome our new member: Michelle Clark

Michelle holds a Bachelor's degree from Kent State University, in Deaf Education K-12 and a Masters degree from John Hopkins University, in Administration and Supervision. During her career she was a teacher of the deaf and hard of hearing.

Her interests and past participation have been in tutoring, assistance in career goals for high school students, working in shelters, "Dress for Success", assisting with food supplies and clothing to students in need.

Originally from New York and Maryland, she and her husband moved to Palm Coast three years ago from the Blue Ridge Mountains in Virginia, where they lived for six years.

UWF COVID GUIDELINES

The UWF Board is excited that our members will be able to meet face-to-face for our next meeting on December 11th at Pine Lakes Golf Club at 9:30 AM. However, given the current COVID conditions in Flagler County, we want to ensure that those who attend the meeting feel comfortable. Therefore, we believe there is a need to meet the current CDC Guidelines to the greatest degree possible.

Pine Lakes has assured us that they are adhering to CDC Guidelines at all functions.

We request that all meeting participants:

- wear masks at all times other than while eating or drinking or addressing the group
- maintain social distancing
- use the provided hand sanitizer.

We ask that you reconsider attendance at this meeting if you have been ill or have been in contact with anyone who has experienced COVID in the past two weeks.

These guidelines will be followed at all future meetings and events as the situation at the time dictates.

Thank you for your generous donations to Wreaths Across America!

As of this week, UWF has sponsored **243 wreaths at the Jacksonville National Cemetery** for the Wreaths Across America fundraiser. That means that UWF will be getting **\$1,215.00** back from the Wreaths Across America program to put into our scholarship fund.

People can still donate through November 29th via the online website that was distributed to all members. We can no longer accept paper checks for this year's tally given that paper checks are going via snail mail and also need to be there by the 29th. If anyone offers UWF a donation in the form of a check or cash, we can take it and apply it to next year's fundraiser, which I will be glad to manage again.

We will also be setting up the online donation page so people can donate throughout the year, if they wish to. I plan to add Wreaths Across America to my monthly "bills" and sponsor one a month throughout the year. For me it's an easy way to sponsor 12 wreaths without noticing the cost.

I am really glad that UWF is involved with Wreaths Across America and that I am able to help out in this way. A friend of mine is retired from the Navy and her dad served in the Air Force. Both of her parents are buried in Jacksonville National Cemetery. She was thrilled beyond words to be able to sponsor wreaths in their name, have them specially placed, and to also go to the remembrance page and leave a note along with their picture. Yes, we honor the veterans, but we offer comfort to the living who love them. How wonderful is that!

Susan Wildman, UWF's Wreaths Across America Fundraising Chair

Another successful Day of Games! Fast Forward to November 2021 after a pause!

Our UWF Day of Games fundraiser was held Friday, November 12th at the Palm Coast Community Center. How wonderful it was to finally be able to get together after months of Covid restrictions! We sold 126 tickets to the event, which included a merry and competitive group of game players and volunteers. There was much laughter filling the room from the time the doors opened a little after 9am until the very end. We were so grateful to receive many compliments throughout the day about the food, our wonderful volunteer servers, and all the raffle items. The door prizes and raffles were a big hit, as always, and the best part is that we made enough to pay for one scholarship with money left over to help with our other charitable endeavors.

The team effort that goes into making the Day of Games a success is always amazing. Thank you to everyone who volunteered to make lasagnas, breads, and desserts. As usual, they were a source of many compliments. Thank you to the ticket sellers, table organizers, decorators, basket makers, and to the hard-working kitchen crew, who spent the day making sure that the coffee and tea kept flowing and the players were well fed. We'd like to extend another big thank you to those who donated gift basket and door prize items, as well as gift cards, and to those who helped with raffle tickets and dispensing the prizes to the winners. Also, thanks to those who obtained vendor certificates, a difficult feat with Covid restrictions. We should all take a big pat on the back for accomplishing another successful fundraiser for University Women of Flagler!

The Last Castle: The Epic Story of Love, Loss, and American Royalty in the Nation's Largest Home

By Denise Kiernan

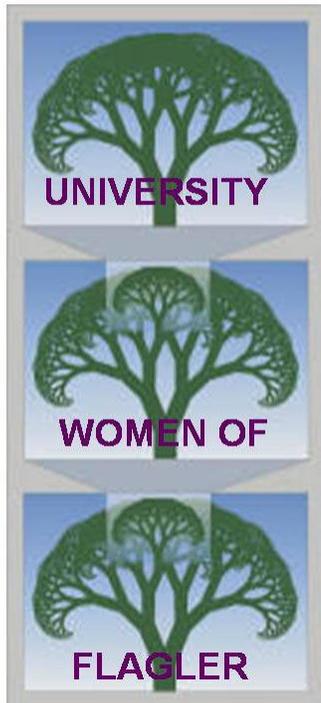

From the author of the *New York Times* bestseller *The Girls of Atomic City* comes the fascinating true story behind the magnificent Gilded Age mansion Biltmore—the largest, grandest residence ever built in the United States.

Orphaned at a young age, Edith Stuyvesant Dresser claimed lineage from one of New York's best known families. She grew up in Newport and Paris, and her engagement and marriage to George Vanderbilt was one of the most watched events of Gilded Age society. But none of this prepared her to be mistress of Biltmore House.

Before their marriage, the wealthy and bookish Vanderbilt had dedicated his life to creating a spectacular European-style estate on 125,000 acres of North Carolina wilderness. He summoned the famous landscape architect Frederick Law Olmsted to tame the grounds, collaborated with celebrated architect Richard Morris Hunt to build a 175,000-square-foot chateau, filled it with priceless art and antiques, and erected a charming village beyond the gates. Newlywed Edith was now mistress of an estate nearly three times the size of Washington, DC and benefactress of the village and surrounding rural area. When fortunes shifted and changing times threatened her family, her home, and her community, it was up to Edith to save Biltmore—and secure the future of the region and her husband's legacy.

The story of Biltmore spans World Wars, the Jazz Age, the Depression, and generations of the famous Vanderbilt family, and features a captivating cast of real-life characters including F. Scott Fitzgerald, Thomas Wolfe, Teddy Roosevelt, John Singer Sargent, James Whistler, Henry James, and Edith Wharton. *The Last Castle* is the unique American story of how the largest house in America flourished, faltered, and ultimately endured to this day.
